

Pediatric Therapy Services

WASHINGTON COUNTY
HOSPITAL
Total Rehab Care

The pediatric program at Washington County Hospital's Total Rehab Care is a comprehensive program designed to give children the developmental support they need. Our program can assist children who demonstrate difficulties with fine motor skills, gross motor skills, and speech and language development. Our dedicated therapists can assist your child in the following specialty areas:

- occupational therapy
- physical therapy
- speech therapy
- aquatic therapy
- social skills group

Before and after school appointments are available. Social work services are also available for all families.

For more information, please contact a pediatric rehab specialist at Total Rehab Care, 301-714-4025.
