WASHINGTON COUNTY  
HOSPITAL

The Wroth Memorial Library is available to physicians, employees, patients and members of the community wishing to investigate the latest literature in the field of medicine. Located on the second floor of the hospital and staffed by a certified medical librarian the library includes 200 different medical, nursing and allied health journals, 350 medical and nursing texts and access to several on-line data bases, of which Medline, CINAHL, and Health Business are full text.

### **Health System Employees and Staff Physicians**

Employees and physicians wishing access to on-line data bases should contact the librarian for instruction. The online databases are available on the health system's Intranet under EBSCO Healthcare Research.

The library is open to health system staff from 7:30 a.m. to 4:00 p.m. Monday through Friday although special arrangements can always be made to access the library during off hours. Requests for special access should be made by contacting the librarian.

Library services offered to Washington County Health System employees and physicians include:

- Research utilizing textbooks and databases
- Locating and obtaining interlibrary loan materials
- Lending of certain books and journals

### **Students**

The librarian will do research for papers, print journal articles, and request them via Interlibrary loan when necessary.

### **Patients and Community Members**

Patients and members of the community are welcome to visit the library or call the librarian for assistance with their search for medical information.

The library is open to the public from 9:00 a.m. to 2:00 p.m. Monday through Friday. If you require the assistance of the librarian it is best to call in advance and make an appointment to ensure the librarian is available when you arrive.
